

**REMARKS**

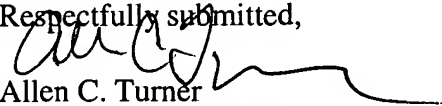

In response to the Raw Sequence Listing Error Report processed January 15, 2002, the present application has been amended herein to include a substitute Sequence Listing in conformity with 37 C.F.R. § § 1.821-1.825. Submitted herewith is the substitute Sequence Listing, a copy of the substitute Sequence Listing in computer readable form (CRF), as well as a Statement under 37 C.F.R. § § 1.821(f) and 1.825. Appendix A and Appendix B also include the substitute Sequence Listing.

Former SEQ ID NOS:1-6 have been cancelled and replaced with substitute SEQ ID NOS:1-5 in response to the Error Report. Also in response to the Error Report, descriptions explaining the location of generic nucleotide indicators have been added to former SEQ ID NOS:49 and 50 (now SEQ ID NOS:48 and 49). All sequences have been renumbered to reflect such amendments.

In conformity with the amendments made to the Sequence Listing as mentioned above, claims 1, 2, 7 and 13-17 have been amended herein to reflect the SEQ ID NOS in accordance with the substitute Listing.

It is respectfully submitted that no new matter has been added by the amendments made herein. However, if any questions remain after consideration of the instant amendments, the Office is kindly requested to contact applicants' attorney at the address or telephone number given herein.

Respectfully submitted,

  
Allen C. Turner
